# ZERO RUST®

## Color Selection:

Primers are Available in Gallons, Quarts and Aerosols

## What Makes Us Different

Available in aerosol cans for small jobs or hard to reach areas.

Single component/NO pot-life issues or waste material solidified in the bucket.

Work out of the same container time, after time.

Sticks to new and rusty steel.

Minimal surface preparation.

Topcoat with virtually any coating technology  
(Urethane, Epoxy, Latex/Oil Enamel).

Automotive
